ROUTE

- The race starts and finishes on the St James C of E First School playing field. Having run three sides of the playing field, runners join the road and go straight on before turning left and left again (*see inset*). They then pass the playing field on their right as they head towards the 1 mile marker.
- At *circa* 1.25 miles, turn left.
- At the junction at *circa* 1.5 miles runners turn right towards Lower Row and must then keep on the right-hand side of the road to avoid opposing runners.
- At the Lower Row loop runners turn right and run in an anti-clockwise direction. At the two cattle grids on Holt Heath, use adjacent open gates to bypass the grids. (Number checker on Holt Heath.)
- Having completed Lower Row loop runners must again keep on the right-hand side to avoid opposing runners and then carry on to Holt Wood.
- On meeting the Chalbury loop, runners turn right and run this in the anti-clockwise direction.
- On completing the Chalbury loop runners turn right to Gaunts Common go past school gate and continue for two further laps on the route shown by the red line.
- After three complete laps, the finish line is on the playing field near to the school gate entrance (*see photo inset*).
